Note: COPE credits are not considered “CPC approved” for purposes of paraoptometric certification renewals. This does not mean COPE credits can’t be used – CPC accepts up to 9 credits approved by certain other education approving bodies, such as COPE. But you also must have at least 9 credits that are CPC approved.

NOTE: You will ***not*** receive credit if you are late to a class.
Do not assume that the courses you registered for will be automatically approved.
