SHOW SCHEDULE

EXHIBITOR SERVICE CENTER
FREEMAN is the official general service contractor for VISION EXPO West 2019 and will maintain an Exhibitor Service Center during set-up, show days and dismantling. All other official show contractors will also be set up in this area as well. All inquiries regarding booth services and orders should be made at the Exhibitor Service Center, including booth furnishings, labor, freight, utilities and special show services. Exhibitors who have ordered labor are asked to check-in at this desk when they are ready to install their exhibits. The person in charge of your exhibit should carefully inspect and sign for all work order forms. If you disagree with a bill presented for your signature, question it immediately. If you cannot come to a satisfactory agreement with the contractor, contact show management. Do not put it off. Once the show has ended, it becomes very difficult to resolve issues.

***Order early to take advantage of advance order discount rates, place your order by Monday, August 26th, 2019.***

MOVE-IN + SET-UP HOURS
VISION EXPO West 2019 is a TARGETED SHOW. Please go to FREEMAN ONLINE to download the COLOR-CODED TARGET FLOOR PLAN which will give you your specific targeted date + time for move-in. Targeted move-in is for delivery of freight; you do not have to begin construction of your booth on your target date or time, but your freight shipment(s) should be at the convention
center on that date and time. Obviously, your installation cannot begin until your freight is delivered and any utilities you need have been installed, so be certain to order these in advance of move-in. Keep in mind, your target date + time applies to when your shipment(s) must be received by – it does not mean you must begin to set up your booth at that time.

If you have questions regarding your move-in, please contact FREEMAN for more information regarding move-in dates and times at (702) 579-1700 or by e-mail at FreemanLasVegasES@freeman.com.

Monday, September 16th, 2019 8:00 AM – 5:00 PM By Target
Tuesday, September 17th, 2019 8:00 AM – 5:00 PM By Target
Wednesday, September 18th, 2019 8:00 AM – 5:00 PM

OVERTIME CHARGES APPLY to any work performed before 8:00 AM and after 5:00 PM on weekdays and anytime Saturday, Sunday and Holidays.

NOTE: Permission to erect booth space will be withheld from any company who has not submitted full payment of their exhibitor space rental fee or advertising/sponsorship fees.

It is highly recommended that you ship your freight in advance to the warehouse, as warehouse freight is delivered to the show floor first, and is automatically “on target”. Show site shipments are unloaded on a first-come-first-serve-basis. Please do not schedule any labor until the end of your target window. For example, if your target window is 10:00 AM – 1:00 PM, it is best to request your labor to report to your booth no earlier than 1:00 PM.

If you require utilities (electric, telephone, internet, etc.), your carpet cannot be installed until the utilities have been installed. Exhibitors are reminded that during move-in, display materials and products will be allowed to enter the SANDS CONVENTION CENTER via loading docks and designated entrances ONLY.

Any booth not occupied by 3:00 PM, Wednesday, September 18th, 2019, will be presumed abandoned. If there is freight in the booth and Show Management believes the exhibitor will be arriving late, the General Contractor will set up the display to the best of their ability with the information available. If there is no freight in the booth and/or Show Management believes the exhibitor will not participate in the show, the booth will be reassigned. Exhibitors arriving after this time will be given space available and may incur additional costs. **ALL EXHIBITS MUST BE COMPLETELY SET BY 6:00 PM, WEDNESDAY, SEPTEMBER 18TH, 2019.** Absolutely no shipment, equipment or material may be brought onto the show floor during show hours.

Removal of excess trash or debris in the aisles **AFTER 6:00 PM, WEDNESDAY, SEPTEMBER 18TH, 2019** will be billed to the exhibitor(s) responsible for creating such excess trash or debris. The Fire Marshal will not permit the show to open if there are any boxes, cartons, visqueen, packing material, etc. in the aisles.

COPYRIGHTED MUSIC
If any copyrighted music is to be played in your booth, you must obtain all necessary licenses from the copyright owner or licensing agency representing the copyright owner. The proper license must be posted in your booth and available for inspection at the request of Show Management or properly authorized agents of ASCAP or BMI. We also advise you to contact these agencies as listed below to acquire the proper licenses:

ASCAP Licensing Dept.

New York, NY 10023

BMI (Broadcast Music, Inc.)

Nashville, TN 37203-4399
Tel: 800-925-8451, 615-401-2000

BASIC SECURITY RECOMMENDATIONS

By now you should have arranged for insurance coverage to protect your exhibit and product against damage or loss from the time it leaves your premises until it returns.

Show Management is very security conscious. We go to great lengths to provide a safe and secure environment, where exhibitors and attendees can transact their business without distraction.

BASIC SECURITY MEASURES:
Among the Show's basic security arrangements are the following:
- Uniformed guards will be stationed at entrances and exits 24 hours a day and will patrol the exhibit floor during non-show hours
- Private guards may be hired from the official guard service
- Security cages for rent. Large and small safety containers may be rented from the official contractor. Exhibitors may prefer to bring a secure container of their own, such as a lockable trunk, footlocker or strongbox that can be stored out of sight in the booth
- **Merchandise passes.** These are special forms issued by Show Management. When properly filled out and signed by the exhibitor, they tell security guards that removal of an item from the exhibit floor is authorized. (Subject to Change)
- A free overnight storage room where exhibitors may store valuables will be available. We recommend that especially vulnerable items be kept in the storage room during non-show hours and during set-up and dismantling. (Subject to Change)

WHAT EXHIBITORS CAN DO TO ENHANCE SECURITY:
- Exhibitor personnel must wear official Show Exhibitor badges at all times during move-in, show days and move-out. Please do not give Exhibitor Badges to anyone other than your full time employees and remove all badges from the building when you leave on your last day there. Badges left behind are often abused by unauthorized personnel so do not leave them in your booth or discard on the floor
- At the close of business each day, cover all display tables. This establishes a barrier to curiosity seekers and other would-be thieves from selecting such items to steal at a later time
- Place your wastebasket along the aisle at the end of each day to facilitate trash removal. **Immediately report to security or Show Management, the presence of any unauthorized visitors, or suspicious activity on the show floor.**
- Unpack product as close to the Show opening as possible. At the close of the Show, we suggest that you stay at your booth until these valuables are repacked
- Treat especially valuable goods such as prototypes as irreplaceable. If they truly are one-of-a-kind, hire your own security guard. Under no circumstances should such goods ever be left unattended. Plasma Screens & Flat Screens, DVD’s, televisions, laptops, and
other electronic devices are particularly vulnerable to theft. Remove tapes or discs at night and store them in a safe place. Keep close tabs on personal items (cell phones, purses, laptops, briefcases, etc.)

- Do not put articles of any value in a container marked “EMPTY STORAGE”, or behind booth
- Shipping cartons should not identify contents. Use coded labels.
- Give special considerations to prototypes, irreplaceable and highly valuable articles, or other sensitive items
- Be sure to send copies of Shipping Information, including all tracking numbers with your set-up people so that they know how many pieces should arrive.
- Booth staffing plans should take the following into consideration:
  - Who will be at the booth during set-up and dismantling?
  - Will an inventory list be available to check complete delivery during set-up and complete shipment after dismantling?
  - Will you need a security cage?
  - Will you need a private guard?
  - Should you safeguard material in the free storage room during non-show hours?
  - Does everyone concerned know that nothing of value should be left in containers labeled "EMPTY"?
  - Things to consider in preparing your booth duty roster:
    - Will someone be on duty at least a half-hour before the show opens? And until show is closed for the day? Will you schedule rotation to cover lunch breaks, etc?
- All of your booth personnel should be advised to wear official show badges at all times as a security measure, and to use the official Merchandise Passes when removing items from the exhibit floor
- DO NOT leave laptop, purses, cell phones, cameras, blackberry’s, etc unattended

ONE FINAL WORD ABOUT SECURITY:
The best security available is still inadequate and losses will occur, if exhibitors leave merchandise, especially valuable merchandise; unsecured in their booth overnight. Please place such valuables in the security room, overnight storage (subject to change), or otherwise secure all such merchandise at all times during the non-show hours. Items particularly vulnerable to pilferage include DVD Players, monitors, personal computers and all small items of personal value. We strongly urge that these items be placed in the Security Room located on the exhibit floor. We can assume no responsibility or liability for loss, damage or theft. That responsibility is yours, and we therefore recommend that you provide your own insurance coverage against all contingencies.

VISION EXPO West 2019 closes at 5:00 PM. Other than aisle carpet personnel, labor will not be admitted to the Show floor until 5:00 PM. Secure all valuables immediately!
SHOW INFORMATION

- Pack and label product and remove them, or hire Security until you can secure them properly. It is essential that exhibitor personnel remain in their exhibit areas until their display materials are secured. All small articles which can be easily picked up should be securely packed before you leave your booth after the Show closes at 5:00 PM. Remember, during teardown, stay with your exhibit until your empty cartons are delivered and your goods are packed, sealed and properly labeled.

- Do not leave material in your booth unlabeled at any time during move-out because many things could happen: it may be presumed abandoned; mistaken for trash; or one of your neighboring booths might label it in error!

- At the close of the show please be sure to secure all electronic equipment especially plasma screens, flat screens, laptops, and any electronic equipment.
