**Program Subject to Change:**

As of 6/24/19
The Psychology of Leadership and Success
Morton Location: Exhibit Hall – The Bridge

Effective Communication
Morton Location: Exhibit Hall – The Bridge

Action Planning and Execution Strategy
Morton Location: Exhibit Hall – The Bridge
### Education Registration

- Course badges will be available online prior to the Education Program. They will not be available onsite. After you register for your courses, you will be able to print your own course badges and bring them to the Education Program. Course badges will also be available online for one month after the program and on the Vision Expo Mobile App.
- It is an effort to improve the Education registration process, badges will not be mailed. Please bring your confirmation letter with you to the registration to have your badge and course itinerary printed when you arrive at the conference. This will ensure that you have the most up-to-date course information on your badge barcode and course itinerary, including room numbers.
- Your badge barcode will have all of your registered courses embedded in it, which is required for course entry. If you have any course changes onsite after you have already printed your badge, you will need to get a new badge printed so that your current courses are embedded in your updated badge barcode.
- After the Education Program, you will receive a letter via email verifying your course attendance. Please submit this letter to your state board/national accreditation agency for license renewal. If you did not supply an email address when you registered, please update your registration record by calling Client Services at 1.800.811.7151.

### Accreditation is Pending

The "pending QI approval" courses are being submitted to the accrediting agencies for consideration of approval. After the process is completed, we will let you know if the course is approved. Do not assume that the courses you register for will be approved. You will not receive credit if you are late to a course.

### About Accreditation

For certification or approval, courses must be submitted to the appropriate organizations and NOT the course selection after you register by calling Client Services at 1.800.811.7151.

Vision Expo is not responsible for courses that do not receive accreditation. Do not assume that the courses you register for will be approved. You will not receive credit if you are late to a course. Course approval information will also be available onsite in the Education and Registration areas.
