

NCLE ADVANCED EXAM REVIEW Domain II: Design, Fit, and Dispense Standard and Specialty Lenses

Friday, September 20, 2024

Time: 10:15 AM - 12:15 PM

This document is a link to a folder with the presentation as well as other resources, including another handout developed by Professor Bob Russo for the National Federation of Opticianry Schools (the NFOS). In July 1, 2024, the NFOS merged with other national groups to form the United Opticians Association (UOA) to advance and promote the profession of opticianry and the overall eyecare industry.

The Vision Expo upload only allows one document, so this format will allow access to more useful resources for review.
